

Job Title: **General Estate Maintenance Worker**

Location: Shropshire

Term: Full time, permanent

Yareal UK invests in agriculture and property based on owned or rented land in Shropshire and Lincolnshire with a mission to produce high quality products and services for our customers in the food and property sectors.

We are seeking to recruit a General Estate Maintenance Worker to assist with the maintenance of the properties at the farming estates in our Shropshire hub.

A role with regular working hours, your principal duties will involve preparing farm properties for occupancy, performing maintenance, repairs and groundwork, carrying out basic plumbing, painting, decorating and cleaning work.

You will have:

- a broad range of craftsmanship and practical skills and experience of grounds maintenance work
- experience of operating a variety of tools and machinery
- a basic knowledge of housing compliance requirements and safety legislation
- a current UK driving licence.

Please send your CV to info@yareal.co.uk
